

# Velo // lingo bingo

If like us, you spend your day talking away on your video conferencing software of choice, try playing **Velo's Lingo Bingo** and see how quickly you can complete the board.

Our record is **2 weeks...**

**Enjoy!**

I think you're on mute	Can you see my screen yet?	Let's take that offline
Let me pass you the ball	Lovely curtains <Name>	<Background noise> Can you all go on mute?
I have a hard stop on the hour	I'll send the actions and next steps afterwards	Sorry, have to jump on my next call
Can you repeat that please?	Has someone just joined?	The weather here is awful!
